Legal Bulletin

[Uber v. Waymo](#)

[Who really won in the case of Uber v. Waymo?](#) There was a settlement instead of seeing the trial through. Had companies patented these technologies and [went through greater lengths to protect their trade secrets](#), there would likely not be a court case at all, and instead patent royalties instead of a settlement.

Bold IP Client Spotlight

ATTACH YOURSELF TO A GREAT CAUSE

PULLING PEOPLE TOGETHER TO
HELP COMMUNITIES IN NEED

At Bold IP we cherish our relationships with our clients. We are particularly proud when we get to help businesses with a great cause. Zipjewel's founder, Phil Martino, has come up with a zipper jewel and a way for communities to fundraise to support a cause. A portion of the money also goes towards rebuilding playgrounds. How about that? Be sure to check out their website here: <https://zipjewel.com>.
